A non-profit since 1968, the **YUBA-SUTTER UNITED WAY** is the most effective and efficient way to make a difference here at home. We bring together people and resources from across the community...businesses, government, individuals, service clubs, students...to tackle the issues that matter most to all of us. The United Way is more than a fundraiser - *we change lives and build a stronger, healthier community.*

The 2010-11 campaign season begins in September with our “Month of Giving.” This ambitious goal of raising \$100,000 for the month will guarantee a successful campaign season through partnerships with local organizations, businesses and just regular folks like yourself who recognize the critical needs in our community!

Funds raised go directly to the more than twenty non-profit agencies that we fund. The Yuba-Sutter United Way agencies provide valuable community assistance toward helping children succeed, strengthening and supporting families and senior citizens, improving access to healthcare, and promoting independence and economic self-sufficiency.
